

WHO WE ARE...WHAT WE DO. MILLINGTON LIONS CLUB

When it comes to meeting challenges the Millington Lions Club's response is simple: **We Serve**. Millington Lions are involved in our community, our state and country and our actions have a global impact.

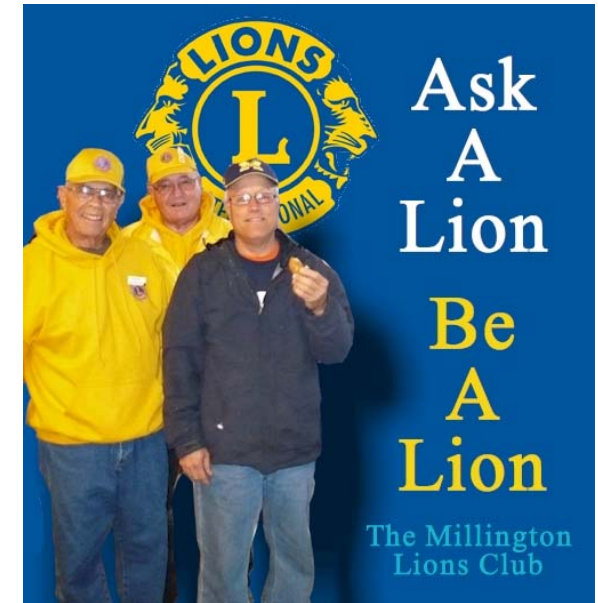

Our club wants everyone to see a better tomorrow. That's why we support sight programs and services including vision screenings, eye banks and eyeglass recycling. We provide eye care services to those at risk of losing their sight, and with the community's help we raise donations through fundraising campaigns - like the White Cane Sale in April which funds the Leader Dog for the Blind facility in Rochester, MI.

Worldwide, Lions clubs are present in 205 countries. Lions Club International is the world's largest service organization, comprised of 46,000 clubs and 1.35 million members.

The Millington Lions Club is actively involved with the betterment of our town. Why? Because we are proud to call Millington our home. We gladly serve the Millington community by raising funds and donating our time and talents for local projects. Money that we fundraise directly from the community is returned to the community.

A few of our past projects include the donation of an Early Literacy Station to the library, we have constructed five pavilions for the community, built bathrooms at the park, we serve doughnuts and cider for Halloween, provide a scholarship to a graduating high school senior, we have sponsored the Rocket Club and several all-state band qualifiers, we present American Flags to the first grade children, we donate funds to provide for a free eye screening program for all local school children. Where there is a community need, you may find a Lion.

Joining a Lions Club is just another obligation in a busy life? We don't think so. Lion membership is enjoyable, fun and has many rewards. Lion membership provides an opportunity to serve and help others in the community. We find that our Lion members are the real beneficiary of helping others. Community service provides a sense of worth and accomplishment, and it really doesn't take that much time.

There are social advantages with Lion membership as well. You will meet and associate with other people who share your interest in helping others.

Find out more about Lions Club membership just by asking a Lion. After all, we are your neighbors, fellow church members or an acquaintance from the past. And, we live in Millington just like you.
